 Subsurface Sewage Permit A permit is required for new systems, new location of a system, or upgrades to systems that are increasing flows. A review of soil types is made at proposed location for actual septic system Sizing of the drainfield and septic tank is determined. Permit approval depends on the following: the predicted maximum daily sewage flow; house size and location; well / spring location; surface water locations; depth to groundwater on limiting layers; changes to native soil (road cuts, grading, benching); distance to neighboring structures (wells, buildings, drainfields); proposed land use; soil type; other issues of concern. Permits to construct a septic system are not granted until all such issues are addressed and / or submitted in writing as part of the plot plan / permit application AND found to be consistent with current regulations. Septic Permits are valid one (1) year from date of issuance. No partial refund is made if fieldwork is done but a permit cannot be approved. \$580 \$280

Two-Party System Permit	U
- Ino Imily Oyoum I omile	
• This permit will size system for two single-family residences.	
 A tank permit for 2nd residence will be required prior to connection to 	
system.	
 No partial refund is made if field work is done but a permit cannot be approved 	
Site Evaluation \$630	0
Septic Permit \$320	0^{-1}
□ Repair	
• Replacement of a failing system. \$200	0
□ Tank Permit	
This is a "tank only" permit connecting to an existing Single or Two	
party systems. \$300	0
☐ Authorization to Connect	
Septic system installed and passed final inspection but construction of	
dwelling not commenced within one year of final inspection. \$100	0
☐ Permit Renewal - (Must apply for renewal prior to expiration date)	
• 1 year renewal (extends permit for an additional year from original	
issuance date)	
• Limit of two renewals \$100	0
☐ Permit Late Renewal (if not renewed prior to expiration date)	
• Permit void three years from original issue date. If installation is not	
completed within three years of the original issue date, a full-fee	
application must be made. \$200	U
☐ Pit or Sealed Vault Privy \$250	0
